

FAR FROM NORMAL CUSTOM CUT ORDER FORM

- Every custom cut substrate must be accompanied with a cut sheet
- Please use the diagram below to illustrate your substrate cuts
- Fill out a cut sheet for every board being cut
- Without the diagram we are unable to cut the board order
- Allow for 1/8" or more for the saw blade tolerance when estimating dimensions
- Inteplast flute lines run 96" length
- Label cut lines in inches
- Please contact your FFN customer service rep with questions
- **Limit: 5 cuts per substrate @ \$5/cut**
